Re: Your Gift to The Karen Wellington Foundation for LIVING with Breast Cancer

Dear Jami:

Thank you for the generous contribution of \$1,673 from the Impact Soccer league. Karen was a big soccer player and I'm sure she's smiling down knowing that this gift will send more of our very deserving women (like Maria Childs) and families LIVING with breast cancer on some vacations in 2016. Thanks to generous people like you, we are able to get these vacations in before it's too late. Unfortunately, many of the vacations we did in 2014 and 2015 turned out to be last vacations, but we got them in. For families LIVING with cancer, there is no time like the present!
